

Nesta apresentação abordaremos algumas configurações de página do PBworks.

Pra acessar o painel de configurações clique sobre "Settings".

# FrontPage

last edited by PBworks 23 m

Page history

## Welcome to PBworks

This is a real workspace! Please edit this page, create new pages, and invite others to use this workspace with you.

### Get Great Ideas!

- Learn what makes a good collaboration project and see how other PBworks customers are using their workspaces. Check out our [PBworks educator community](#).

### Need Help? We're here for you:

- [The PBworks Manual](#) and [30-second training videos](#) can help show you how to edit, add videos and invite users.
- The best way to get your support questions answered is to **click the help link** at the top of this page. Our support gurus will get back to you asap.

### About This Workspace

**Title**

This title will appear at the top of your workspace.

Neste campo pode-se trocar o nome da página.

**Description**

This will be shown to users before they log in.

Aqui deve ser preenchida a descrição da página.

**Set the space's time**

Neste campo acerta-se o horário local.

Selecione a língua de uso do teclado.

**Keyboard language**

**Contact email**

When visitors want to get in touch with the workspace owner, emails will be shown publicly.

Escolha seu email de contato disponível aos visitantes da página.

**Save** Depois de efetuadas as configurações, clique em "Save".

## Workspace Security

Who can view this workspace?

- Anyone
- Only people I invite or approve

Na opção "Workspace Security" é possível alterar as opções de segurança logo no início da criação de sua página no PBworks.

← →

- Let people request access to view or edit the workspace**  
Administrators will be notified when someone requests to join the workspace.
- Let workspace users see the Users tab**  
Workspace users will see the Users tab, but won't be allowed to make changes.
- Disable commenting for readers**
