The avatar editor interface features a central preview window showing a stylized character with black hair and a white heart on its chest. Above the preview is a yellow callout box with the text 'Alterar cabelo do Avatar.' and two green arrow buttons. To the right of the preview are five rows of controls, each with a label ('hair', 'eyes', 'mouth', 'head', 'body') and two white buttons with red arrows. Further right are two red text links: 'Random character' and 'Reset size & position'. At the bottom right is a dark grey 'Save' button.
